

# CURRICULUM VITAE

Date: 11/10/2008

## Shari Danielle (Goldenberg) Bolen M.D, M.P.H.

### DEMOGRAPHIC INFORMATION

#### Current Appointments

Researcher/Practice-based Research Network Fellow

Center for Health Care Research and Policy, MetroHealth/Case Western Reserve University

#### Personal Data

Work Address:

1) 11001 Cedar Ave, Suite 306, Cleveland, OH 44106 AND  
2) 2500 MetroHealth Drive, Rammelkamp Building, R234A  
Cleveland, OH 44109

Phone:

Office: 410-372-4166

Fax:

None

E-mail:

[sdb73@case.edu](mailto:sdb73@case.edu), [goldenberg\\_5@yahoo.com](mailto:goldenberg_5@yahoo.com)

#### Education

1996 B.S.

Ohio State University (Summa Cum Laude in Psychology)

2000 M.D.

Ohio State University College of Medicine

2004 M.P.H.

Johns Hopkins Bloomberg's School of Hygiene & Public Health  
(focus: Epidemiology & Biostatistics)

#### Post-Doctoral Training

2000-2003

Residency in Internal Medicine, Montefiore Hospital, Albert Einstein College of Medicine

2002-2003

Chief Resident of the Primary Care Internal Medicine Program, Montefiore Hospital, Albert Einstein College of Medicine

2004-2005

Johns Hopkins Faculty Development Program  
Curriculum Development Course  
The Johns Hopkins Bayview Medical Center, Baltimore, MD

2003-2006

Research Fellowship, Division of General Internal Medicine  
Johns Hopkins University School of Medicine

2008-present

Practice-based Research Network Fellowship, Center for Health Research and Policy, MetroHealth/Case Western Reserve University

## Professional Experience

- 2003-2005 Internist, Consultation Service, Johns Hopkins Hospital
- 2003-2005 Attending Physician  
Health Care for the Homeless, Mercy Hospital, Baltimore, MD  
Provided medical care and substance abuse counseling to homeless population one afternoon a week.
- 2005-2007 Attending Physician  
HIV Moore Clinic, Johns Hopkins Hospital, Baltimore, MD  
Provided general medical care and HIV care to patients with HIV one afternoon a week.
- 2006-2008 Instructor, Division of General Internal Medicine  
Johns Hopkins University School of Medicine

## RESEARCH ACTIVITIES

### Publications

#### Peer-Reviewed Original Articles:

3. Bennet W.L., **Bolen S.**, Wilson L.M., Bass E.B., Nicholson W.K. Performance characteristics of postpartum screening tests for type 2 diabetes mellitus in women with a history of gestational diabetes mellitus: A Systematic Review. (In Revisions at *Journal of Women's Health*)

#### **Extramural Sponsorship**

##### **Contracts:**

1. Johns Hopkins University Evidence-based Practice Center II, Contract #290-02-0018. Supported by the Agency for Healthcare Research and Quality; Project period: 9/20/02-9/19/07; P.I.: Eric B. Bass, M.D.; Estimated Total Cost: \$1,436,112; Annual Direct Costs: on individual contract basis (see below for our

individual contract). The mission of the Evidence-based Practice Center is to conduct systematic reviews and syntheses of scientific information about important clinical topics.

a. Evidence Report on Comparative Effectiveness of Oral Diabetes Medications for Adults with Type 2 Diabetes. Project period: 09/01/2005 – 06/31/2006; P.I.: Fred Brancati, M.D.; **My role:** Co-Investigator, 50% effort; Total costs: \$250,000.

b. Evidence Report on Gestational Diabetes: Labor Management and Post-Partum Follow-up. Project period: 12/01/2006 – 11/31/2007; P.I.: Wanda Nicholson, M.D.; **My role:** Co-Investigator, 10% effort; Total costs: \$250,000.

c. Evidence Report on Comparative Effectiveness of Pre-mixed Insulin Analogues for Adults with Type 2 Diabetes. Project period: 07/01/07– 04/31/2008; P.I.: Rehan Qayyum, M.D.; **My role:** Co-Investigator, 10% effort; Total costs: \$300,000.

2. An Analysis of Utilization and Cost of Obesity Treatment Among Insured Populations: Patterns of Bariatric Surgery, Pharmaceutical Use, and Other Services Within Several Large Blue Cross Blue Shield Plans. Planned project period: 09/01/2005-7/31/2007; P.I. Jonathon Weiner, PhD; **My role:** Co-Investigator: 15% effort. Total cost: \$175,000.

3. NIH Loan Repayment Program. Period: 2004-2007.

**Grants:**

1. T32 NRSA training grant. Period: 2003-2005
2. R25T NCI training grant. Period: 2008-present

**EDUCATIONAL ACTIVITIES**

**Teaching**

**Classroom Instruction:**

2005	Lecturer on hypertension, for the OB/GYN residency program Johns Hopkins Hospital
2005-2006	Introduction to Common Statistical Concepts for first year internal medicine interns, Small Group Instructor/Invited lecturer Bayview Hospital
2005-2006	Small Group Instructor, <i>Clinical Epidemiology</i> for first year medical students Johns Hopkins School of Medicine
2006-2007	Small Group Instructor, <i>Mind-Body Medicine: Self Care for Physicians</i> . Selective for first and second year medical students. Johns Hopkins School of Medicine

**Clinical Instruction:**

- 2003-2005 Teaching Attending  
Internal Medicine Residency Program, Harbor Hospital, Baltimore, MD  
Taught medical students, interns and residents on the inpatient general medicine wards for one month per year.
- 2003-2005 Senior Clinical Fellow, Medicine Consultation Service  
The Johns Hopkins Hospital  
Taught and supervised medical students, interns, & residents while consulting on hospitalized patients for one month per year.
- 2005 Facilitator, 2<sup>nd</sup>-year Medical Student AIME (An Integrated Medical Encounter) Course  
Taught the integration of communication and clinical reasoning skills in clinical encounters. One afternoon a month for 6 months.

**Workshops/seminars:**

- 2005-2006 Workshop, Society of General Internal Medicine: National Meeting  
New Orleans, Louisiana and San Francisco, California  
“Roadmap to Choosing and Understanding Statistical Tests”  
Windish D, **Bolen S**, Bass E, Miller E

**CLINICAL ACTIVITIES**

**Certifications**

Medical Licensure	2008	State of Ohio(active) - 092468
	2007	State of Massachusetts (inactive) - 231338
	2003	State of Maryland (inactive) – D0060190
	2002	State of New York (inactive)
Board Certification	2003	American Board of Internal Medicine

**ORGANIZATIONAL ACTIVITIES**

**Administrative Activities**

- 2004 - 2005 Conference Organizer, General Internal Medicine Fellows’ Noon Conference Series. Johns Hopkins Hospital.

**Editorial Activities**

**Journal Peer Reviewer:**

- 2004-present *Journal of General Internal Medicine*
- 2006 *Annals of Internal Medicine* – Invited peer review
- 2006-present *Diabetes Care*

**Professional Memberships and Societies:**

2001 – present            Society of General Internal Medicine: Member

1999 – 2007            American Medical Association: Member

**RECOGNITION****Honors/Awards**

1995    Ohio State University Distinguished Tutor Award – One of several tutors chosen to receive an award for excellence in tutoring undergraduate Algebra.

2000    Community Service Award – One of two medical students chosen to receive a community service award for teaching underserved elementary school children about health and international cooking in a summer school program called Cities in Schools.

2003    Outstanding Resident Award – An award given each year to one resident from each firm of 30 residents for outstanding clinical and teaching expertise.

**OTHER PROFESSIONAL EXPERIENCES**

1996-1998            S.M.A.R.T.-Sexual Maturation and Responsible Thinking  
Co-chair of a program in which medical students discuss sexuality with seventh graders in the public school system.

1997                Ecuador Summer Project  
Worked at two hospitals as a medical student and helped an underserved community near Quito establish a clean water supply.

2001 - present        Human Rights Clinic  
Volunteer through Doctors of the World to document evidence of physical and emotional torture for illegal immigrants and testify in court on their behalf.

2003                Teaching Attending at Mbarara Hospital in Uganda for one month. Provided general medical care and taught general medicine fellows, medical students, and interns daily on a general medicine floor for one month. Patients mainly had infectious diseases such as HIV, TB, and malaria.
