

CURRICULUM VITAE

Name: Sudhir Ken Mehta, MD, MBA, CPE.
Citizenship: US
Telephone: Office: (216) 476-7236
Fax: (216) 476-7021
Ken.mehta@fairviewhospital.org

EDUCATION

- B.Sc., Christian College, Lucknow, India, 1963
- M.B.,B.S., King George Medical College, Lucknow, India, 1968
- D.C.H., King George Medical College, Lucknow, India, 1971
- M.D. (Ped.), King George Medical College, Lucknow, India, 1974
- MBA, Weatherhead School of Management, Case Western Reserve University, Cleveland, Ohio 2000
- C.P.E. (Certified Physician Executive) by the Certifying Commission in Medical Management, September 2000.

INTERNSHIP & RESIDENCY

Pediatrics: University Hospital, University of Florida, Jacksonville, Florida. July 1974 - June 1976.

Pediatrics: Post Graduate, G.M. Medical Hospitals, Lucknow University, Lucknow, India, Jan. 1970 - June 1974.

Medicine: G.M. Hospitals, Lucknow University, Lucknow, India, September 1969 - December, 1969.

Rotating Internship, District Hospital, India, Aug. 1968 - Aug. 1969.

FELLOWSHIPS

Research Associate, Division of Cardiology, Department of Medicine, Cleveland Metropolitan General Hospital, Case Western Reserve University, Cleveland, Ohio, Aug. 1978 - June 1979.

Fellow, Pediatric Cardiology, Department of Pediatrics, University Hospitals, Case Western Reserve University, Cleveland, Ohio, July 1976 - July 1978.

UNIVERSITY APPOINTMENTS

Associate Clinical Professor of Pediatrics, Department of Pediatrics, Case Western Reserve University, August 1995 - present.

Assistant Professor, Medicine - Cardiology, Division of Cardiology, Department of Medicine, Case Western Reserve University, August 1995 - present.

PREVIOUS:

Associate Professor of Pediatrics, Department of Pediatrics, Case Western Reserve University, July 1988 - 1995.

Assistant Professor, Division of Cardiology, Department of Medicine, Case Western Reserve University, July 1981 - 1995.

Assistant Professor of Pediatrics, Department of Pediatrics, Case Western Reserve University, July 1979 - June 1988.

Instructor, Cardiology, Case Western Reserve University, July 1979 - June 1981.

Instructor, Pediatrics, Case Western Reserve University, April 1979 - June 1979.

Research Associate, Medicine, Case Western Reserve University, Aug. 1978 - March 1979.

Teaching Fellow, Pediatric Cardiology, Case Western Reserve University, July 1976 - June 1978.

HOSPITAL APPOINTMENTS

Chairman, Department of Pediatrics, Fairview Hospital, August 1995 to present.

Pediatric Cardiologist, Fairview Hospital, August 1995 to present.

Consultant, Department of Pediatric Cardiology, Cleveland Clinic Foundation, 1997 to present

Pediatrician, Department of Pediatrics, MetroHealth Medical Center, 1995 to present.

Consulting Pediatric Cardiologist, Deaconess Hospital, Cleveland, Ohio.

Consulting Pediatric Cardiologist, Southwest General Hospital, Cleveland, Ohio.

Consulting Pediatric Cardiologist, Parma Community Hospital, Cleveland, Ohio.

Consulting Pediatric Cardiologist, Saint John & West Shore Hospital, Westlake, Ohio.

Consulting Pediatric Cardiologist, Elyria Memorial Hospital, Elyria, Ohio.

PREVIOUS:

Head, Division of Pediatric Cardiology, Cleveland Metropolitan General Hospital, July 1979 to July, 1995.

Assistant Cardiologist, Department of Medicine, Cleveland Metropolitan General Hospital, July 1979 to 1995.

Director, Pediatric Intensive Care Unit, Metropolitan General Hospital, Oct. 1986 to July 1989.

Physician In-Charge - Pediatric Cardiology, Ambulatory Family Clinic, St. Joseph Hospital, Lorain, Ohio. (1988 - 1995).

Consulting Pediatric Cardiologist, Kaiser Permanente, Cleveland, Ohio (1991 - 1993).

Director of Preventive Cardiology, Division of Pediatric Cardiology, Dept. of Pediatrics, Rainbow Babies and Children Hospital, Cleveland. (1986-1988).

Assistant in Pediatrics, Cleveland Metropolitan General Hospital, Cleveland, Ohio, April 1979 to July 1979.

Director, Pediatric Hypertension Clinic, MetroHealth Medical Center (1979-1989).

Physician - Lipid Surveillance Clinic, MetroHealth Medical Center (1985-1989).

Consulting Pediatric Cardiologist, St. Joseph Hospital, Lorain, Ohio.
Consulting Pediatric Cardiologist, St. Lukes Hospital, Cleveland, Ohio.
Consulting Pediatric Cardiologist, Fairview General Hospital, Cleveland, Ohio

OTHER APPOINTMENTS

Affiliate Faculty, Pediatric Advanced Life Support, American Heart Association and American Academy of Pediatrics, 1987 - present.

Faculty, Neonatal Resuscitation, American Heart Association and American Academy of Pediatrics 1987 - 1999t.

PREVIOUS:

Chairman, Emergency Cardiac Care Committee, American Heart Association, 1994 - 1995

National Faculty, Pediatric Advanced Life Support, American Heart Association and American Academy of Pediatrics, 1994 - 1995.

National Faculty, Neonatal Resuscitation, American Heart Association and American Academy of Pediatrics 1987 - 1994.

Affiliate Faculty, Advanced Cardiac Life Support, American Heart Assoc., NE Ohio - Affiliate 1986 - 1990.

Instructor, Basic and Advanced Cardiopulmonary Resuscitation, American Heart Association, 1983 - 1986.

Physician in-charge - Pediatric Cardiology elective at Cleveland Metropolitan General Hospital, for Adult Cardiology Fellows, Pediatric and Family Practice Residents. (1979-1995)

AWARDS & HONORS

Recognition from Hon. Bob Taft, Governor of State of Ohio for Leadership and Public Service, 2001

Dean's award for Superior Academic Performance, Executive Masters of Business Administration, May 21, 2000

Listed as one of the "Top" Pediatricians (Pediatric Cardiologist) in the Greater Cleveland area, Cleveland Magazine, Jan. 1987.

RESEARCH GRANTS

Principal Investigator, "Cocaine exposed infants: Cardiac problems and outcomes." Grant from NIDA, NIH, April, 2001, No. # RO1 DA09049-03S1 (\$42,332 - till present).

Principal Investigator, "Cocaine exposed infants: Cardiac problems and outcomes." Grant from NIDA, NIH, April, 1997, No. 1 RO1 DA09049-01A3 (\$1,200,465 - till present).

Consultant: "Event recordings of high risk infants on apnea monitors." Grant from Department of Health and Human Services, (Principal Investigator-T.Baird, M.D.) Sept.1991, HD-91-02 (\$194,961 direct cost; total cost \$261,078 1st year, total cost \$3,518,017 for 5 years).

Principal Investigator, "Maternal Hyperglycemia: Effect on the fetal and Neonatal cardiovascular system." Part of Perinatal Studies of disorders of Fetal Metabolism.(Principal investigator-S. Kalhan, M.D.). Approved and funded by NIH, Jan.1988, No.HD-11089-11 (\$701,398 1st year, \$3,694,016 for 5 years).

Co-Investigator, "Preventive Cardiology." Grant from NIH,(Principal investigator- T. Riemenschneider, M.D.) 1984-1989, No.642-5572 (\$400,000 for 5 years).

Co-Investigator, "Incidence of thrombosis secondary to central venous catheter in neonates." Grant from Cuyahoga County Hospital Foundation Inc. (August, 1986; \$5,000).

Principal Investigator, "Computer programming for the analysis of blood pressure waveform." Grant from Cuyahoga County Hospital Foundation Inc. (July, 1981; \$500).

Principal Investigator, "Cardiac abnormalities in hypertensive children." Grant from American Heart Association. HANEO 4245R (from Jan.1,1980- Dec.30,1982; \$12,000).

LICENSURE

Licensed to practice in the State of Ohio.

CERTIFICATION

Diplomat, American Board of Pediatrics (1981)
Diplomat, Sub-Board of Pediatric Cardiology (1983)

PROFESSIONAL SERVICE EDITORIAL BOARDS

Reviewer, *Pediatrics*, 1991

Transactions on Biomedical Engineering, *Journal of Institute of Electrical Engineers*, 1986.

HONOR SOCIETY

BETA GAMMA SIGMA

PROFESSIONAL SOCIETIES

Fellow, American College of Cardiology (FACC).
Fellow, American Academy of Pediatrics (FAAP).
American Heart Association.
Northeast Ohio Pediatric Society.
American Society of Echocardiography.
American Society of Pediatric Echocardiography.
American College of Physician Executives.
American Medical Association.

ADVISORY GROUPS

Member, Pediatric Advanced Life Support working group, American Heart Assoc., Northeast Ohio Affiliate 1988 to 1994.
Member of the Hypertension Subcommittee, American Heart Association, Northeast Ohio Affiliate, Inc. 1981-1983.
Member of the Heart Health in the Young Subcommittee, American Heart Association, Northeast Ohio Affiliate, Inc. 1983-1986.
Member, Physicians Cholesterol Education Program Working Group, American Heart Association, 1987.
Consultant, Diagnostic and Therapeutic Technology Assessment Panel, American Medical Association, 1987.

NATIONAL ADVISORY

Panel Member, Perinatal Implications, Third International Workshop - Groups: Conference on Gestational Diabetes, Diabetes, 40 (Suppl.2):197-201, 1991.

COMMITTEES

University

Member of the Advisory Board of Ph.D. Thesis., Direct arterial blood pressure, heart rate, and an index of peripheral vascular resistance in treated and untreated ambulant hypertensive subjects. J T Walsh, 1980-1982.

COMMITTEES

Department

Chairman, Quality Assurance Committee, Department of Pediatrics, Fairview Hospital, Cleveland, Ohio, 1995 - present.
Chairman, Continuing Medical Education Committee, Department of Pediatrics, Fairview Hospital, Cleveland, Ohio, 1995-present.

PREVIOUS:

Member, Physicians Liaison Committee, MetroHealth Medical Center, Cleveland, Ohio, 1994, 1995
Chairman, Quality Assurance Committee, Pediatric Intensive Care Unit, (Oct. 1986 to July 1989).
Chairman, Advisory Board, Pediatric Intensive Care Unit, (Oct. 1986 to July 1989).
Member, Department of Pediatrics, Quality Assurance Committee, (Oct. 1986 to July 1989).
Chairman, Education Committee, Department of Pediatrics, Cleveland Metropolitan General Hospital, 1980-1982.

COMMITTEES

Hospitals

Member, Medical Executive Committee, Fairview Hospital, 1995 - present.
Member, Quality Assurance Committee, Fairview Hospital, 1995 - present.
Member, Quality and Care Management Committee, Fairview Hospital, 1997 - present
Member, Family Practice Resident Training Committee for Pediatrics, Fairview Hospital, 1995 - present

PREVIOUS:

Member, Physician Relations Committee, MetroHealth Medical Center, 1994-1995.
Member, CPR Committee, MetroHealth Medical Center.
Member of Environmental, Safety Control and Instrumentation Subcommittee,
Metropolitan General Hospital, 1986-1988.

INVITED PAPERS/WORKSHOPS/SHORT COURSES

Invited Speaker, All India Radio, New Delhi, India. Nov.18, 2001.

Can intrauterine cocaine exposure lead to cardiac abnormalities in newborns. Presented at the National Institutes on Drug Abuse, Rockville, Maryland, May 4, 2000.

Course Director - Pediatric Advanced Life Support Course for Providers. Nov. 5-9, 1984, Dec. 3-7, 1984, Sept. 18-24, 1985; Sept. 17-23, 1986; Oct. 14-20, 1987.

Course Director - Pediatric Advanced Life Support Course for Providers and Instructors, 1988 - present (two courses per year).

Invited Physician, "Bill Gordon Show", WGAR 1220 Radio, Cleveland, 1997

Mehta SK, Approval of Newer Techniques for Closed Chest Cardiac Massage, The Heart Beat, American Heart Association, Winter, 1995.

Invited Speaker, C.M.E. Conference, Hyderabad, India. "Diagnosis of Congenital Heart disease", and "Hypertension". December 11-12, 1993.

Invited Speaker, Association of Indian Physicians of Northern Ohio, General Body Meeting. "Does Treatment of Hyperlipidemia Increase Non-Cardiovascular Mortality?". Cleveland, Dec. 5, 1993.

Invited Speaker, Kaiser Permanente, Formal dedication ceremony for Nancy G. Ellis, M.D. Pediatric Consultation Center, Beachwood, Ohio Oct. 1993.

Invited Speaker, Third International Workshop Conference on Gestational Diabetes Mellitus. Chicago Nov. 8-9, 1990.

Moderator, Seventh Great Lakes conference on High blood pressure, section on Pediatric Hypertension, Bond Court Hotel, Cleveland, Oct. 9, 1986.

Guest Speaker, "Fetal Echocardiography" Northeastern Ohio Ultrasound Society, May 7th, 1986.

Faculty, Symposium on "Introduction to Cardiac Doppler" Sponsored by CWRU at Cuyahoga Community College, Cleveland, Sept. 13, 1986.

Faculty, Symposium on "The Pediatrician's role in the promotion of health and prevention of heart disease in children" Cleveland Health Education Museum, April 25-26, 1986.

Faculty, Second Annual Cleveland Conf. on Ultrasound in perinatal Medicine. "Fetal Congenital Anomalies-Diagnosis and Management." April 19 & 20, 1985.

Faculty, "Congenital heart disease" Symposium on Two Dimensional Echocardiography, Cleveland Metropolitan General Hospital. May 1985.

Faculty, "An introduction to M-mode and two dimensional echocardiography" Symposium, Cleveland Metropolitan General Hospital. Sept. 1984.

Speaker, "High Blood Pressure in Children", WQAL Radio, Cleveland, 1981.

Speaker, "Pediatric Hypertension" Fall Nursing Symposia of the American Heart Association, Northeast Ohio affiliate, Inc., 1980.

Invited Speaker, "Daily Dosage of Acebutolol in Hypertensives: An analysis by 24 Hour Blood Pressure Monitoring." American Society for Clinical Pharmacology and Therapeutics 81st. Annual Meeting - March 19-21, 1980, San Francisco, California.

Invited Speaker, "Single Daily Dosage of Acebutolol to control Hypertension." International Symposium of Ambulatory Monitoring, London, England, June 27-30, 1979.

Speaker, "Primary Hypertension in Adolescents"; in the Symposium "Selected topics in Adolescent Medicine" sponsored by Department of Pediatrics at Cleveland Metropolitan General Hospital, Case Western Reserve University, 1979.

COMMUNITY ACTIVITIES

Member, Board of Trustee, Asian American Indian Physicians of Northeast Ohio, 1998.
President, Asian American Indian Physicians of Northeast Ohio, 1996.
Chairman, Emergency Cardiac Care Committee, American Heart Association, 1994-1995.
Recognized for 10 years of service as Neonatal Resuscitation Program Instructor (1987 - 1997)
Co-Chairman, Problem Identification Subcommittee and Member of the Steering Committee of the Greater Cleveland High Blood Pressure Coalition. (1980-1984)
Member, Board of Trustees, Greater Cleveland High Blood Pressure Coalition, 1985-1987.
Physician Panel, National Research Corporation.

OTHER ACTIVITIES

President, Secretary and Treasurer, King George Medical College Alumni Association in North America, 1999 to present
Secretary and Treasurer, King George Medical College Alumni Association in North America, 1996 to 1999

SPECIAL INTERESTS

Pediatric Hypertension, Preventive Cardiology, Cardiopulmonary Resuscitation
